Report on Career Guidance Program - Pursuing a Career in Germany

Date: 01.04.2023

Objectives:

- To inform students about career opportunities in Germany.
- To provide insights into careers, especially in the automotive industry.
- To encourage interaction and personalized guidance.
- To connect students with an industry expert.

Target Group:

- **Graduate and Under graduate College students**

The Career Counselling Cell at Hind Seva Mandal's Pemraj Sarda College, Ahmednagar, in collaboration with the National Cadet Corps (NCC), organized a significant career guidance program on the topic of "Career in Germany." The event took place on the 6th of April, 2023, at the Multipurpose Hall within the college premises. The highlight of the program was the presence of Mr. Ajay Chavhan, a distinguished professional from the Volkswagen Company in Germany.

The career guidance program, held on the 6th of April, was an eagerly anticipated event among our college students. The primary objective of the program was to provide students with comprehensive information about building a successful career in Germany, particularly focusing on opportunities in the automotive industry.

Ajay Chavhan, an esteemed representative from the Volkswagen Company in Germany, was our keynote speaker. With extensive experience in the automotive industry, Mr. Chavhan was an invaluable resource for students interested in pursuing a career in Germany. Mr. Chavhan's presentation provided a deep dive into the various aspects of pursuing a career in Germany, from academic pathways to job prospects and the essential skills required for success in the German job market. Following the presentation, a dynamic question-and-answer session allowed students to engage directly with Mr. Chavhan, seek clarifications,

and gain personalized advice tailored to their career aspirations. The program concluded with a networking session, affording students the chance to connect with Mr. Chavhan, further enhancing their understanding of the practicalities of pursuing a career in Germany.

Program Outcomes:

The Career Guidance Program received a highly positive response from students and participants. Many students expressed their newfound interest in exploring career opportunities in Germany, particularly within the automotive sector. The interactive Q&A session proved to be a valuable platform for students to get specific guidance on their individual career paths.

The Career Guidance Program on pursuing a career in Germany was an unequivocal success. The support of Mr. Ajay Chavhan and the active engagement of our students exemplify the commitment of Hind Seva Mandal's Pemraj Sarda College to nurturing and guiding the future of our students. We are excited about the possibilities that lie ahead and remain dedicated to providing comprehensive career guidance and support.
